

Credit Profile Report

Unsurpassed data precision
and file coverage

The best decisions begin with the best information. The Credit Profile Report from Experian offers unparalleled accuracy and superior data quality generated by the File OneSM system.

Experian's Credit Profile Report gives you the accurate, current and complete information you need to:

- **Acquire new business** — Make decisions about new customers and new accounts with speed and accuracy
- **Manage customers** — Monitor, evaluate and make decisions based on changes in the customer profile as they occur
- **Maximize collections** — Detect potential fraudulent activity and take action where your recovery chances are greatest

File OneSM is your key to profitable decision making

Complete — File One is the most comprehensive nationwide consumer credit information available.

Accurate — High-integrity, current information is provided.

Easy to read — Our format groups similar data elements together for faster analysis.

Flexible — Optional display formats are available.

Current and relevant credit information

- Higher hit ratios and more complete files
- Unique file matching system that examines many variables

Saves you time and money

- Eliminates multiple inquiries
- Replaces manual searches for information

For your reference, a sample Credit Profile Report is provided on the following pages.

Experian's Credit Profile Report

Files on more than 215 million credit-active consumers nationwide are maintained in Experian's database. Your inquiry initiates a search of this database, which produces an applicant's credit history — the Credit Profile Report. An illustration and description of a sample Credit Profile Report follow.

Reminder: To ensure compliance with the Fair Credit Reporting Act, reasonable care should be taken to input accurate identification belonging to the consumer when requesting services.
